

McClelland College Bus Service

McClelland College offers students exclusive access to a bus service in 2017. The school charter is only available to McClelland students and travels directly to and from the College each day. This is a safe, convenient and time effective option for families who would otherwise use public services interchanging in and out of Frankston.

There will be a cost involved but the school will heavily subsidise the cost of this charter service.

There are 3 payment options:

- Option 1: \$24 per week, (this equates to \$4.80 per day or \$2.40 per trip)
- Option 2: \$185 per term (slightly cheaper than the above option)
- Option 3: \$660 for the year (the cheapest option if planning to use for the whole year)

If you are interested in securing your place on the bus for 2017, please submit the expression of interest from and arrange payment during your enrolment meeting.
